Trap and Luck Shoot Sept. 29 at Sportsman's Club; proceeds go to Shop With A Cop

The Pendleton County Sheriff's Office and the Pendleton County Sportsman's Club have joined together to have a Trap and Luck Shoot on Saturday, September 29.

The shoot will start at noon at the Pendleton County Sportsman's Club located on Lock Road at Butler. For those coming from Northern Kentucky you can take U.S. 27 to Butler and turn left onto Lock Road.

There will be door prizes and food.

All proceeds will go towards taking the children shopping at Christmas time through the 'Shop With A Cop' program.

For any questions contact Pendleton County Sheriff's Chief Deputy Todd Dennie at (859) 654-4511.

Hardy Mum sale to support recreation cheerleaders

Support the Pendleton County elementary recreation cheerleader teams by purchasing a hardy mum from 9 a.m. to 3 p.m. on Saturday, September 22 and 29 at Becky's Flower Basket in Falmouth.

The competition cheerleading teams will be selling hardy mums for \$10 a piece. This will include the mum and a decoration. If planted the mums will come back again next fall. The teams are raising money to help cover their competition expenses for this upcoming season. The teams consist of elementary girls from both Southern and Northern Elementary schools.

The teams want to give a special thanks to Bob Fogle and Holly Trimble, with Becky's Flower Basket, for their assistance with this fundraiser. Come out and support this fundraiser and get some pretty mums for your garden or flower bed.

Camper found dead at Kincaid Lake State Park

An elderly man from Newport was found dead around 1 p.m. on September 13 in the camping area of Kincaid Lake State Park, five miles north of Falmouth.

The deceased was a frequent camper at Kincaid and was due to leave there on Friday. Not having seen him on Thursday, a campground attendant and a maintenance man went to his campsite where they discovered his body.

Pendleton County Sheriff Craig Peoples responded to the park. The Pendleton County coroner was called to the scene and the camper was pronounced dead. The cause of death is believed to be from natural causes, according to Sheriff Peoples.

The man was camping alone. His identity has not been released at press-time because of notification of next of kin.

Cincinnati man injured in motorcycle accident

A 28-year-old Cincinnati, Ohio man was injured in a single-vehicle accident on KY 22 East, near Loop Road on Saturday, September 15.

Greg Vogel was operating his motorcycle eastbound when he apparently lost control of it around 12:45 p.m., said Kentucky State Police Trooper Mark Grisik. He was riding with several other motorcyclists. Vogel was airlifted to the University of Cincinnati Medical Center by PHI where he was admitted but has since been released.

Tpr. Grisik worked the accident. Pendleton County Sheriff's Deputy Jeff Rice was also on the scene as was the Pendleton County ambulance.

Falmouth Mayor discusses Klee Farm Project

Council approves renaissance director

By Roger McKinney, Reporter

Falmouth Mayor Mark Hart updated the council regarding the status of the Klee Farm Project. He explained that the city would purchase 38.5 acres of farm land directly from the Klee Family at a cost of \$275,000 and that Cox Construction would purchase the remaining five acres of land directly from the Klee Family at a cost of \$325,000. The original plan was for Cox Construction to buy the entire farm for \$600,000 and for Falmouth to purchase 38.5 acres of the property from Cox Construction. Closings on both separate buys should be complete around the end of September. Mayor Hart said that Cox Construction had already moved heavy equipment to the building site of the new Dollar General Store.

The council approved a resolution that reestablished the position of renaissance director and appointed Susan Bishop to that job.

Other business conducted by the Falmouth City Council in the September 11, 2012 meeting:

- Mayor Hart informed the council that the Pendleton County Industrial Authority had purchased the old Pizza Factory and the old health department

buildings on Shelby Street and had them evaluated by a structural engineering firm. The report from that company stated that the structural weakness in each building was extensive and that rehabilitation costs would be prohibitive.

- A first reading was given to an ordinance that set city property taxes for 2012-2013. The council took the compensating rate only. The city lawmakers have employed the compensating rate exclusively for the last eight years, refusing to raise taxes because of the economic downturn and the hardship it placed on the taxpayer. In regard to the city's revised real estate tax a person having \$50,000 in property would pay \$283.

A first reading was given to the Annual Codification of Ordinances

- Citizen Teresa Rarriack ask the lawmakers questions regarding the city's utility disconnection policy. City Clerk Terry England explained that if a resident knew their utility payment would be late they could work it out with the clerk's office without fear of disconnection
- Citizen Kenny Bishop informed council of a drainage problem near his house on Beech Street

- Approved the application for a grant that would fund the laying of a waterline to the Pendleton County Airport
- Councilman Darryl Ammerman recommended the forming of a committee to

research the amending of existing ordinances to allow citizens to practice urban farming

- Approved a motion to remove stop signs from Beech Street at the intersection of Beech and Hauser

- Approved a motion to research a loan from the Kentucky League of Cities (KLC)

- Approved a motion to accept the bid from Mago Construction in regard to additional city street blacktopping

- Approved a motion to pay GRW Engineering \$10,000 to evaluate maintenance and repair requirements pertaining to the city's water service system

Wildcat football spaghetti supper at Tim's Kitchen

The Pendleton County Wildcats Football team will be having a fundraiser this Saturday evening, September 22 from 5-8 p.m. at Tim's Kitchen on U.S. 27 at Butler.

Bring the family and come out and eat at their spaghetti supper and support the team. Dinners are \$5

Construction on new bridge moving along

Workers are moving right along with the construction of the new bridge that will replace the old blue bridge joining the eastern part of Pendleton County to the city of Falmouth. The bridge will have sidewalks on both sides and the lanes will be 14 feet wide. The project is scheduled to be completed in November.

Pendleton County Fiscal Court approves emergency manager vehicle purchase

By Roger McKinney, Reporter

The fiscal court approved the use of earmarked budget funds and area development funds to purchase a 2005 pre-owned Chevrolet Tahoe for Pendleton County Emergency

Manager Mike Moore. The vehicle was purchased from Shelbyville Chrysler at a cost of \$11,000.

Other business conducted by the Pendleton County Fiscal Court in the September 11, 2012 meeting:

- A motion was approved that allowed the purchase of up to \$1,000 in mower parts for the county road department from surplus property in Frankfort.

Betty Crocker adds pumpkin

It's that time of year again where pumpkin begins to pop itself into recipes, teas, coffee, etc. In time to head towards the first day of fall (September 22) here are two great Pumpkin bread recipes with a twist.

Braided Pumpkin Wreath

Give a seasonal favorite, pumpkin bread, a pretty holiday look with one simple twist. 2 wreaths (24 slices each)
5 3/4 to 6 1/2 cups Gold Medal® all-purpose flour
1/3 cup sugar
1 1/2 teaspoons salt
2 packages regular active dry yeast
1 cup canned pumpkin (not pie filling mix)
1/4 cup butter or margarine
1 1/2 cups apple cider or apple juice
Topping
1 egg
1 tablespoon water
2 teaspoons sesame seed, if desired
2 teaspoons poppy seed, if desired

In large bowl, stir 2 cups of the flour, sugar, salt and yeast. In 2-quart saucepan, heat pumpkin, butter and cider; over medium heat, until 120°F to 130°F. Add to flour mixture; beat on medium speed 3 minutes, scraping bowl occasionally.

Stir in enough of the remaining flour to make a soft dough. On floured surface, knead until smooth and elastic, 3 to 5 minutes. Place dough in greased bowl, turning to grease top. Cover with plastic wrap and cloth towel; let rise in warm place until double in size, about 1 hour.

Grease large cookie sheet. Punch down dough. Divide in half; divide each half into 3 pieces. On lightly floured surface, roll each piece into 24-inch-long rope. On cookie sheet, place 3 ropes close together. Braid loosely; pinch ends together, forming a circle. Repeat with remaining dough. Cover; let rise in warm place until almost double in size, 20 to 30 minutes.

Heat oven to 375°F. In small bowl, beat egg and water until well blended; brush over braids; sprinkle with sesame and poppy seed.

Bake 18 to 24 minutes or until golden brown. Remove from cookie sheet to wire racks. Cool about 1 hour. Makes 2 wreaths (24 slices each)

Tip: Knead in only enough flour, about 2 tablespoons at a time, to make dough smooth, elastic and easy to handle. Too much flour will create a heavy, dense bread.

Gluten Free Pumpkin Bread

1 box Betty Crocker® Gluten Free yellow cake mix
1 can (15 oz) pure pumpkin
1/2 cup canola oil
1 teaspoon ground cinnamon
1/2 teaspoon ground ginger
1/4 teaspoon ground cloves
2 teaspoons gluten-free vanilla
1/2 cup gluten-free semisweet chocolate chips (dairy- and nut-free)
Heat oven to 350°F. Grease bottom only of 9x5-inch or 8x4-inch loaf pan with oil.

In large bowl, stir all ingredients except chocolate chips until well mixed. Stir in chocolate chips. Spread evenly in pan.

Bake 9-inch loaf 55 to 65 minutes, 8-inch loaf 60 to 70 minutes, or until toothpick inserted in center comes out clean. Cool 10 minutes. Loosen sides of loaf from pan; remove from pan to cooling rack. Cool about 2 hours before slicing.

Makes 16 servings

Tip: Always read labels to make sure each ingredient is free of allergens that you are sensitive to. Products and ingredient sources can change.

By virtue of a Judgment and Order of Sale of the Pendleton Circuit Court rendered August 20, 2012, in the above action, I shall proceed to offer for sale at the Pendleton County Judicial Center at Falmouth, Kentucky, to the highest and best bidder at public auction on October 4, 2012 at the hour of 10:00 a.m., the following described property:
Property Address: 5481 Highway 22 West, Falmouth, KY 41040

Situated in Pendleton County, Kentucky, and being Tract #3 of the Mitchell Land Division - Linville Keith Mitchell Property, as shown on Plat Slide 82 of the Plat records of Pendleton County, Kentucky.

Being the same property conveyed to Jeffrey L. Edwards, his heirs and assigns forever, married, from Linville Keith Mitchell and Loleta Mitchell, husband and wife, by deed dated May 10, 1996 and recorded May 16, 1996, in Deed Book 197 and Page 639, in the Office of the Clerk of Pendleton County, Kentucky.

This property is being sold to produce the sum of \$174,737.31, together with interest at the rate of 5.500 percent per annum from June 14, 2012 until paid; plus late charges, advances for taxes and insurance, and Plaintiff's costs herein expended, including a reasonable attorney fee in the amount of \$1,150.00 and for any other fees expended for services performed in connection with the defendant's default and for the purposes of protecting Plaintiff's interest in the property and its rights under the mortgage instrument.
The property shall be sold upon the following terms and conditions:

- 1) The purchaser shall be required to pay ten percent (10%) of the purchase price on the date of the sale, to apply on the purchase price;
- 2) The balance of the purchase price shall be due and payable, in cash or certified funds, within sixty (60) days from the date of sale;
- 3) The purchaser shall be required to execute a bond, with good and sufficient surety thereon for the unpaid balance of the purchase price, said bond to bear interest at the rate of twelve percent (12%) per annum from the date of sale, until paid;
- 4) The purchaser shall have the privilege of paying all or any part of the purchase price or paying said bond before maturity by paying the balance of the principal, together with all accrued interest thereon;
- 5) The purchaser shall be required to assume and pay any and all ad valorem taxes on the subject property for the current year, and all subsequent taxes;
- 6) The purchaser shall be required to purchase fire and extended coverage insurance on said improvements from the date of sale until the purchase price is paid in full to the extent of the court appraised value of said improvements or the unpaid balance of the purchase price, whichever is less, with a loss clause payable to the Master Commissioner of the Pendleton Circuit Court or the Plaintiff herein.
- 7) The subject property shall be sold free and clear of all liens and claims of any party to this action, except restrictions and easements thereon appearing of record in the Pendleton County Clerk's Office, if any;
- 8) Possession of the subject property shall be given to the purchaser upon confirmation of Commissioner's sale, and the Defendants or any persons claiming through them shall have vacated the premises by that time; and
- 9) Said property shall be sold subject to:
 - a) Assessments for public improvements levied against the subject property,
 - b) Existing zoning ordinances, statutes, laws or regulations;
 - c) Any facts which an accurate survey or inspection of the property may disclose.

Bidders will be prepared to comply with these terms.

CLUBS UPDATES

Homemakers met at Fisher home

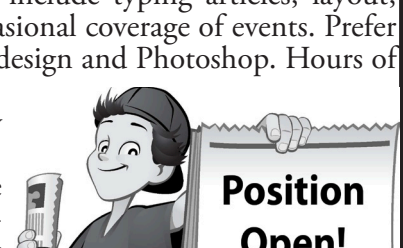

We started our Homemaker meetings for the years 2012 - 2013 Monday night. New officers were elected. President will be incumbent Mary Lou Johnson, Vice President Denise Fisher, secretary Faye Godman and treasurer is incumbent Helen Strasser. Plans were made for the funnel cake booth to set up at Butler Festival September 22. Please mark your calendars for that fun time and come enjoy our funnel cakes. They are the best around!

We also made plans for the KY Wool Festival, where we will of course also be selling our world famous funnel cakes. The proceeds from our funnel cake sales go to sponsor county scholarships for Pendleton County seniors. Our next meeting will be October 15 at Faye and Jimmy Godman's at 6:30 p.m. We'd love to have you in our club. Please call 859-654-3395 for more information.

Pendleton County Church of Cooperatives holding meeting

The Pendleton County Cooperative of Churches will hold its regular bi-monthly meeting at 7 p.m., Thursday, September 20 at the Morgan Christian Church, Morgan. All Pendleton County churches are invited to send representatives and their ministers to the meeting. Please bring any prayer concerns as well.

AARP needs volunteers

AARP TaxAide needs volunteers to help prepare tax returns at the Falmouth site in the Pendleton County Library. Returns are prepared free of charge for low income and/or elderly taxpayers. This service has been provided at the library for over 20 years. Training in tax law and tax return preparation on computers is provided. Preliminary training will be provided in October with more in depth training in December and January. A volunteer is also needed to serve as a receptionist. For more information, or to volunteer, please contact Kathryn Lawson at 859-654-8061.

Volunteers needed for Relay for Life

The American Cancer Society Relay For Life® is seeking volunteers in Pendleton County – walkers, cancer survivors, caregivers, community leaders, anyone wanting to make a difference – to organize and recruit fundraising teams, garner community support, coordinate logistics, seek refreshments and prizes, plan entertainment and lend a hand to ensure the success of the 2013 event. The first volunteer committee meeting will be at 6:30 p.m., November 6 at Falmouth Baptist Church. The meeting will begin the planning process for the community's Relay For Life event, which supports the American Cancer Society's mission of saving lives by helping people stay well, by finding cures and by fighting back against the disease. Relay For Life events are held overnight as individuals and teams camp out at an athletic track, park or other gathering area, with the goal of keeping at least one team member on the track or pathway at all times throughout the evening. Teams do most of their fundraising prior to the event, but some teams also hold creative fundraisers at their camp sites during Relay. Relay brings together friends, families, businesses, hospitals, schools, faith-based groups . . . people from all walks of life – all aimed at celebrating the lives of those who have had cancer, remembering those lost, and fighting back against the disease. "Relay For Life is all about our community uniting with the American Cancer Society and supporting its efforts to create a world with less cancer and more birthdays," said Mandy Sullivan, RFL Committee Chair. "Volunteers and participants who are willing to give their time and energy to this exciting event are making a commitment to let Pendleton community members know that cancer can be defeated." If you would like to join the Relay For Life of Pendleton County as a volunteer or team participant, call the American Cancer Society at 859-372-7881, or visit RelayForLife.org. The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; by helping people get well by being there for them during and after a cancer diagnosis; by finding cures through investment in groundbreaking discovery; and by fighting back by rallying lawmakers to pass laws to defeat cancer and by rallying communities worldwide to join the fight. As the nation's largest non-governmental investor in cancer research, contributing about \$3.4 billion, we turn what we know about cancer into what we do. As a result, more than 11 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more about us or to get help, call us anytime, day or night, at 1-800-227-2345 or visit cancer.org.

OPINION

Pictured above, from the left, are Assistant Governor Kathryn Hardman for District 6740, Assistant Governor Dinesh Mistry from the Cynthiana Rotary Club and President Darryl Ammerman of the Falmouth Rotary Club.

Rotary gets certificate of recognition

Kathryn Hardman, DGN 6740 served as a special guest speaker at the Falmouth Rotary Club meeting recently. She has been a member of the London Rotary Club since 1992, and served as president from 1997 to 1998. As a club member she has chaired the Scholarship Committee, helped spearhead the funding drive for a Rotary Children's Park and currently serves on the London-Corbin Polio Plus International Dinner Committee. Kathryn is a Paul Harris Fellow and

has attended PETS annually since 2007.

The topic of Kathryn's speech was the importance of Rotary International and its work on eradicating polio which fits in with our theme for the 2012-2013 Rotary term, "Peace through service." The Falmouth chapter was also presented with a certificate in recognition of its Membership Development for 2011-2012 and commended for it's local service project, both past and future.

Ernie Richie running for re-election

I, Ernest (Ernie) Richie would like to take this opportunity to announce my candidacy for re-election to the Falmouth City Council in the upcoming fall election of 2012.

My family and I have resided in Pendleton County all of our lives. Upon graduating from Falmouth High School in 1956, I joined the United States Army and served our country for two years. My wife, Margie (Carr) Richie and I reside at 618 Woolery Street in Falmouth. We have two children, David (Dianne) Richie and Amy J. Barnes. We also have three grandchildren. We are members of the Falmouth Baptist Church.

For the past two years that I have served on council, I have always done my best to keep the people of Falmouth as my first priority and to keep taxes down. I am not serving myself, I am serving the people of Falmouth and my decisions are based on what I believe you would want. I have talked to many people over the past two years and have tried to take your wishes and put them into action. Also, I have enjoyed serving you these past two years

Thank You,
Ernie Richie

Stanley Love running for City Council

Greetings, my name is Stanley W. Love. Though most of our local citizens know me, I would like to take this opportunity, to reintroduce myself, as I ask whole heartedly for your vote.

I am seeking your vote for re-election in the upcoming Falmouth City Council elections. I have been married for the past 46 years to Violet May (Crail) Love of Dayton, Kentucky. Together we have raised seven children, and now, together we encourage, and mention our 20 grandchildren and six great-grandchildren.

I have always believed that every able body American citizens should do their part in preserving our greatest National treasure, which are the very freedoms that our great country was founded upon. It was for this deep love, and respect of our country, that I enlisted two full years in the United States Army, with one full year of duty in Vietnam, at the height of the Vietnam War.

It is with sincere appreciation, that I say, "Thank you," for allowing me to serve as your Falmouth City Councilman. I hope I have proved my loyalty to our fine city, and gained your personal trust in me, as I humbly ask to serve you, my town, for another term of two years, as your Falmouth City Councilman.

Together, with other leaders, and citizens of our fine community, we are striving to make Falmouth a safer and growing economical place for future generations. I believe I have grown in my knowledge of local gov-

Knoxville Christian picked up trash

Dear Editor,
The Knoxville Christian Church recently picked up trash on Jagg and Fairview Road. We were very pleased to see that we found very little trash on Jagg Road. Thanks to everyone who has been helping keep this road clean. Always remember to find a proper disposal for your trash. If everyone threw their trash out the window, this world would be a dirty place.

4-H Crossroads Club cleaned up litter

Dear Editor,
Eight members of the 4-H Crossroads Club cleaned up a little less than four miles on Morgan Four Oaks Road on July 11, 2012. We picked up 15 bags of trash. There were a lot of bottles, cans and fast food containers along the side of the road. We also found some old tires and even an old toilet. Let's all do our part to keep Pendleton County beautiful!

Sincerely,
Autumn Ferguson,

ernment, and with the experience of two years under my belt. I am positive, that I can influence more social and economical growth of Falmouth Kentucky.

Since, you have allowed me to serve you as Falmouth City Council for the past two years; I will continue maintain my open door policy to answerer any and all governing questions.

I close this letter, as I have opened it. Thank you for allowing me to serve you, citizens of Falmouth as your City Councilman, and I will appreciate your vote in November.

God Bless you, God Bless our troops, and God Bless America.

HIGHLIGHTS

Right choices can make growing older more pleasant

No one can keep from growing older, but we all can choose how we do so. Many factors about our physical and mental conditions as we age are up to us. While some people seem to age without serious health issues and with good mental state others are less fortunate. However, regardless of our circumstances, we all have choices to make about our lives as we age.

As with anything in life, attitude is everything. As people grow older, it is very important to keep motivated, to say to yourself, "I can do it."

Regular exercise is even more important for seniors than other age groups since the risk of disease and lost mobility is greater and the positive effects are realized more quickly. But, as we all know, the hardest part is getting started.

Look for daily opportunities to exercise in work and play. Force yourself to walk by parking your car several parking aisles away from the store or your office entrance and walk briskly!

Choose an exercise you like and stick with it.

Use the buddy system. Arrange to have a friend meet you - It's harder to say no to exercise when you exercise with a friend.

Walk, swim, climb, bicycle, dance, fish!

Join a walking group or visit your local Y, recreation center, park, church, or senior center.

Diet is also an important consideration as we age. There are some simple rules that help assure better health through our daily diets such as enjoy your food, but eat less, avoid oversized portions, make half your plate fruits and vegetables, switch to fat-free or low-fat (1%) milk, compare sodium in foods like soup, bread, and frozen meals and choose the foods with lower numbers and drinking water instead of sugary drinks that add worthless calories.

Cooking and eating are among life's greatest pleasures. Cooking for people is one of the ways to maintain a positive attitude and add meaning to life!

Too often, when we think of "healthy cooking," we think that every meal must be bland and flavorless. However, with a little effort we can cook with exciting recipes that are not only pleasing to the palate and the eye, but easy enough to be prepared by mere mortals.

As we age, we need to consider our mental conditions as well as our physical. A decline in memory is not always a function of serious disease, like Alzheimer's. Sometimes memory loss is caused by factors that can be changed -- such as diet, medication misuse, depression, etc. At the National Institute on Aging, research is showing that memory may be like other parts of the body. Research showed that the very gradual declines in memory take place until age 70 -- when the pace increases, but not so much as to impair us. The conclusion?

The processes of normal aging does not rob you of your memory. The greatest enemy to the healthy senior mind is depression. New activities, hobbies, and exercise are wonderful anti-depressants. If you

truly are depressed, don't bear it alone -- SEEK HELP!

Stay active doing things that use your memory. Take a class, play games, be with people. Pick up the phone now and call someone, just to "chat." Volunteer your time. Get involved with a cause you believe in or in something that interests you. Seek out variety and challenge in your daily life.

Mental wellness is one of the important aspects of positive aging. With record unemployment, home foreclosures, and a financial market meltdown, it may feel like a tough time to be thankful. Yet "practicing thankfulness is one of the most powerful ways of thinking to bring about a change in our circumstances," says Mary J. Lore, author of the award-winning book Managing Thought: How Do Your Thoughts Rule Your World?

Founder and President of Managing Thought (www.managingthought.com), Lore conducts workshops across North America to help individuals and organizations develop self-awareness and change how they think to attain long-lasting success.

During difficult times, we may find ourselves struggling with

thoughts of fear, self-doubt, anger, frustration, anxiety, depression, and despair. These kinds of thoughts do not inspire you nor do they move you in a direction that serves your purpose -- in fact, they make matters worse.

Thankfulness, on the other hand, is one of the quickest and most powerful ways to create a change in our circumstances. Lore says being thankful raises us to a new level of consciousness, giving us the ability to see possibilities, discover what we truly want, receive ideas on what to do next, and realize a vision for the future. List everything you are thankful for. At the end of each day, think of everything you are thankful for that day. Throughout the day, take note of what you are thankful for

When you catch yourself thinking self-defeating thoughts, take a deep breath, exhale deeply, and ask yourself, "What can I be thankful for in this moment."

Realizing that we have say over our lives as we age has a positive impact on all of us. Considering where we are and what choices we might make to improve our life adds purpose to living.

Purpose in your life can help ward off dementia completely

by: Patricia A. Boyle, PhD

You already know that staying physically and mentally active may help stave off dementia, but researchers have found yet another protective trick—having a purpose in life.

Now, I don't mean having a goal that has a definite end point, such as telling yourself that you'll run a marathon or write a novel.

For brain protection, having a purpose in life is a little bit different.

What are some examples of "purposes," and how can you figure out what yours is if you don't already have one?

Warding off brain fog

I'm happy to say that figuring out your life's purpose is not that hard to do. More on that in a minute, but first, let me show you what the study found.

Researchers analyzed 246 senior citizens who received annual cognitive testing for about 10 years. Each was asked questions to determine whether he or she had a strong purpose in life. When participants died, they underwent brain autopsies.

What the researchers found was that in participants who had a lot of plaques and tangles in their brains—abnormal structures in and around the brain's nerve cells that are hallmarks of Alzheimer's disease—the rate of cognitive decline had been about 30% slower for people who had a strong purpose in life compared with those who had had a weaker purpose or no purpose at all. Here's what I hope these findings mean: The stronger your purpose in

life, the less likely you'll suffer cognitive decline as you age, even if your brain is affected by Alzheimer's signs. I hope that's true because it means that you can preserve your cognitive ability by making sure that you have a purpose.

Of course, it could be the other way around—it could be that some people have a biological problem that makes them less able to cope with brain plaques and tangles and, also, less able to feel that their lives have purpose.

Go for it anyway

When I called lead study author Patricia A. Boyle, PhD, a neuropsychologist in the Alzheimer's Disease Center at Rush University Medical Center in Chicago, she acknowledged that her study doesn't prove whether purposefulness helps our brains work better or is simply a side effect of a brain that is already working better. Maybe research will determine that one day. But on the other hand, since having a sense of purpose seems to make people happier, she said, why not cultivate one?

Based on her work with the study subjects, Dr. Boyle defines a life purpose as "the sense that one's life has

meaning and direction—that one is intentional and motivated to engage in activities that one finds important and fulfilling." In other words, it's what gets you out of bed each day and makes you feel that life is worth living.

A purpose doesn't have to be ambitious or complicated. In fact, many purposes are simple, said Dr. Boyle. It just can't have a definite end point—it has to last throughout your life. For example, some purposes include spending time every day with loved ones...helping other people (for example through long-term volunteer work)...learning something new every day...or passing down a certain set of knowledge or skills to younger generation. If you love running marathons or writing novels, as I mentioned earlier, make sure that your goal is to continue pursuing those goals through life—and not just run one marathon or write one novel.

It's not so much what your purpose is, Dr. Boyle said—what's critical is how it makes you feel. If it stirs you up inside and makes you feel passionate, energetic and excited, then you've found it!

Senior council for 2013 school year

The Pendleton County Class of 2013 is already hard at work preparing for a very busy and memorable year. They would like to proudly announce the 2012-2013 Senior Council pictured above (left to right): President Tori Fitzpatrick, Vice President Jennifer Owen, secretary Maggie Miles, treasurer Mariah Moore, and reporter Mackenzie Horn. Members include Hannah Ammerman, Garret Appleman, Brittany Baumgartner, Brianna Crouch, Cody Kirsch, Clay Knight, Madison Logan, David Mains, Sarah Schlueter, Aaron Teegarden, Lane Weaver, Jordan Yelton, and Ania Zmyslo. Senior Council picks the class song, flower, motto, theme, and colors. Senior council also plans senior trip, graduation, and class night. We would like to have the most memorable graduation yet and would like to send as many seniors on senior trip as possible. This is why fundraising is so important. We ask for every kind of support and help we can get. The senior class just kicked off the year with magazine sales as their first fundraising project. Magazine sales will end on September 27. A percentage of the sales will go to senior trip that will be to Washington D.C. and New York on March 31 through April 5 where all in attendance will visit historical sites and a Broadway Play. Another incentive to sell magazines is the great prizes seniors can win. Seniors have the opportunity to win tail gating packages, personal refrigerators, computer printers, luggage, and other great prizes. Anyone interested in purchasing or renewing a magazine subscription can contact any 2013 senior, Mrs. Julie Hart, or Mr. Terry Brown at the high school. Thank you for your help!

Family pass GED test together

The Pendleton County Adult Learning Center would like to congratulate recent GED recipients Linda Taulbee and Melissa Nueby. Linda and Melissa started GED classes together in April of this year and worked diligently as a team in order to achieve their common goal. As aunt and niece, they were able to carpool, tutor, and study with one another in a unique relationship that allowed them to push and support each other. We are so proud of their accomplishment and excited for them as they both seek higher

education through college.

If you would like to receive your GED, join us. If you have a friend or relative in need of the GED also, bring him/her along. Studying for and receiving your GED is quite a personal achievement. Sharing that experience with someone you know and being partially responsible for their success is an added bonus.

Call (859) 654-3325 ext. 2603 to schedule an orientation NOW. The next session of classes is starting soon.

Attention GED test takers

Your future is calling. With the GED® test, you can answer the call! If you've already started the GED® test, you're almost there. The current version of the GED® test is expiring at the end of 2013 and your scores will expire too if you don't finish and pass the test by then. If you act soon, you won't have to re-take the parts of the test you've already passed.

Don't feel prepared to finish the GED® test? Don't worry—we can help! Even with your busy schedule, you can prepare, plan, and succeed. The Pendleton County Adult Learning center has teachers waiting to help you, structured classes, evening hours, and even online options you can do in your home. Please call (859) 654-3325 ext. 2603 to discuss your options.

Passing the GED® test is a key to opening doors to college, a better job, and the respect you deserve. Don't miss this chance to turn one small step into your next big opportunity! Finish your GED® test by the end of 2013 and earn your high school credential.

Agriculture agent visits classroom

Pendleton County High School Agriscience classes were visited by our county's Agriculture Extension Agent, Lindie Huffman on Monday, September 10. The classes had recently been learning about soil. Lindie spent the class explaining the importance of soil to everyday life, and why soil samples can be beneficial.

Earn EPA's ENERGY STAR® Certification for Superior Energy Efficiency

Northern Elementary, Phillip Sharp Middle School, and Pendleton County High School, operated by Pendleton County Schools, has each earned the U.S. Environmental Protection Agency's (EPA's) ENERGY STAR certification, which signifies that the building performs in the top 25 percent of similar facilities nationwide for energy efficiency and meets strict energy efficiency performance levels set by the EPA.

"Pendleton County Schools is pleased to accept EPA's ENERGY STAR certification in recognition of our energy efficiency efforts," said Anthony Strong, Superintendent. "Through this achievement, we have demonstrated our commitment to environmental stewardship while also lowering our energy costs."

Commercial buildings that earn EPA's ENERGY STAR certification use an average of 35 percent less energy than typical buildings and also release 35 percent less carbon dioxide into the atmosphere. Pendleton County Schools has improved its energy performance by managing energy strategically across the entire organization and by making cost-effective improvements to its buildings. The District as a whole has prevented greenhouse gas emissions equal to the electricity use from 69.6 households for a year*(Northern Elementary 30.4, Southern Elementary 6, Phillip Sharp Middle 9.8, PCHS 29.4).

"Improving the energy efficiency of our nation's buildings is critical to protecting our environment," said Jean Lupinacci, Chief of the ENERGY STAR Commercial & Industrial Branch. "From the boiler room to the board room, organizations are leading the way by making their buildings more efficient and earning EPA's ENERGY STAR certification."

To earn the ENERGY STARs, Pendleton County Schools took the following actions:

- Upgraded lighting systems, including motion sensors in classrooms
- Increased focus on maintenance of energy systems and equipment
- Modifying thermostat set points and limits
- Purchasing ENERGY STAR qualified office equipment and appliances whenever possible.
- Building an energy saving culture and atmosphere with the students and staff throughout the district.
- Creating a district wide energy team (comprised of administration, teaching staff, and custodial staff from each of the buildings, as well as maintenance staff for the district) to identify energy savings opportunities and oversee improvements

EPA's ENERGY STAR energy performance scale helps organizations assess how efficiently their buildings use energy relative to similar buildings nationwide. A building that scores a 75 or higher on EPA's 1-100 scale may be eligi-

ble for ENERGY STAR certification. Northern Elementary scored a 91, Sharp Middle School scored an 88, and PCHS scored a 91 for the 12 months prior ending on April 30, 2012. Northern currently scores a 93, Sharp an 89, and PCHS a 91. Southern Elementary just recently scored a 76, making it eligible for ENERGY STAR Certification. The application process will begin soon. Commercial buildings that can earn the ENERGY STAR include offices, bank branches, data centers, financial centers, retail stores, courthouses, hospitals, hotels, K-12 schools, medical offices, supermarkets, dormitories, houses of worship, and warehouses.

ENERGY STAR was introduced by EPA in 1992 as a voluntary, market-based partnership to reduce greenhouse gas emissions through energy efficiency. Today, the ENERGY STAR label can be found on more than 60 different kinds of products as well as new homes and commercial and industrial buildings that meet strict energy-efficiency specifications set by the EPA. Over the past twenty years, American families and businesses have saved a total of nearly \$230 billion on utility bills and prevented more than 1.7 billion metric tons of greenhouse gas emissions with help from ENERGY STAR.

Howell takes first at Grant Invitational

Bryan Howell, an eighth grade student at Phillip Sharp Middle School placed first in the middle school boys cross country race at the Grant County Invitational on September 8, 2012. Howell finished the 3k race with an outstanding time of 12:02 beating out 111 other competitors for the first place finish.

PCHS Cross Country competes in Grant County Invitational

The Pendleton County High School boys and girls cross country teams competed in the Grant County invitational on September 8, 2012. The previous evening's heavy rains made for a soggy and muddy course and the winds remained gusty as the teams prepared to run their 5ks. However, once they hit the course they gave it their all. The girls varsity came in 13th with Kylie Figgins leading the team with a 59th place finish. The boys varsity finished strong in 8th place with Montgomery Fraxman medaling with a 24th place finish. The teams have two more away meets before the Pendleton County Invitational that will be held on September 29th at Phillip Sharp Middle School.

Ladycats beat Covington Latin and Owen County

On Monday, September 10 the Ladycats travelled to Covington Latin. With the blow of the first whistle, the Ladycats came out full force. They were winning first touches and keeping pressure on Covington Latin's defense. This would allow the Ladycats the first goal of the game. Sophomore McKayla Manor would drive to the corner pulling defense pressure from Covington Latin out of the middle of the field. Freshman Erin Fitzpatrick would take advantage of this space and sprint to the opening. McKayla would see the run and chip the ball giving Erin a wide opener header that would fall into the goal.

Covington Latin picked up their game at this point. They began winning the first touches on the ball as the Ladycats began playing sloppy. The midfielders on the Ladycats end got lazy and did not get back quick enough to help with the defensive efforts. The Covington Latin players would recognize this and take advantage of a 4 vs. 6 situation. They would score the second goal of the game and bring the game back to a tie of 1-1.

Junior Michaela Wright would not stand for this. She would make a defensive stop on at the wing position and bring the ball up the field. She kept her head up and made her way around two of Covington Latin's players. Michaela then found herself just outside of the 18. She would power through the ball kicking just above the goalie's reach putting the Ladycats in the lead 2-1 at the half.

Upon returning from halftime, the Ladycats knew they needed to pick up their defensive efforts and increase their first touches in comparison to the other team. They would do just that as they would hold Covington Latin scoreless in this half. The Ladycats saw many opportunities to score with 10 shots on goal in the half but none would fall. This would leave the final score of the game at 2-1 in favor of the Ladycats.

The JV Ladycats would take on Covington Latin as well. They would win the game with a final score of 4-0. The first goal was scored by Allison Lenox with an assist from Haley Carr. The second goal was scored by Destiny Montoure. The third goal was scored by Allison Lenox. The fourth goal was scored by Kristen Wolfe with an assist from Erin Fitzpatrick.

Covington Latin was only able to get off four shots all saved by the combined goalie efforts of Madison Sydnor and Amber Blackaby. This low amount of shots can be contributed to the strong defensive efforts put forth from all of the players.

The Ladycats would play another strong game on their home field against Owen County on Wednesday, September 12. The Ladycats would end the game with a final score of 5-1. The first goal for the Ladycats was earned within the first five minutes of the game. Michaela Wright would find McKayla Manor for an open shot in the corner. The next goal would be a result of a foul from Owen County. This would set the Ladycats up for a direct kick. Erin Fitzpatrick would chip the ball in where McKayla Manor would get her foot on the ball to score. The last goal of the first half would be scored with 10 minutes left to play. Kaitlyn Meadows would run the ball down the middle and release a powerful shot to the corner of the goal.

At halftime the coaches told the Ladycats to maintain their defensive efforts and continue taking shots on goal. The Ladycats had attacked well in the first half allowing them 75% of the first touches and over 20 shots on goal. The Ladycats went out with the mindset to keep up this pressure and score at least five more goals and hold Owen County scoreless.

The Ladycats started back strong. Halfway through this half the Ladycats would be given a corner kick. Junior Chelsea Brossart would take the kick and find senior Tori Fitzpatrick in the middle of the field. Tori

would look up to find a wall of Owen County players in front of her. She looked to her right to see McKayla Manor open. McKayla would receive the ball and shoot to the far post scoring the Ladycats fourth goal of the game. The next goal would come just two minutes later. A direct kick was taken by freshman Alex Blackaby. The shot attempt would be knocked out by the goalie only to be kicked back into the net by freshman Sidney Dietrich.

The Ladycats continued taking shots but none would fall. The Ladycats began to tire and started to lose the first touches. This small lack of effort would lead to a break in the Ladycats defensive pressure catching junior Hannah Fields in a 1 on 1 situation. Desperately attempting to prevent an Owen County shot she was called for a foul in the box. A penalty kick was taken by Owen County that resulted in a goal. Keeper Katie Gaskins jumped just a moment too early as the ball fell between her gloves and the top bar of the keeper box. This goal would be scored with less than 10 minutes on the clock.

The Ladycats would end the game with a 5-1 win, however it wasn't satisfactory play. Looking ahead to district play the Ladycats can't have breakdowns like this. They must continue to play aggressively on both the offensive and defensive end. They were 10 minutes away from accomplishing this task during this game.

The JV Ladycats would also play Owen County and win 1-0. The goal was scored by Kendall Carr with an assist from Sidney Dietrich in under a minute of the start of the game. The Ladycats would then play strong defense and hold off Owen County giving their keeper Amber Blackaby her second shutout of the week. The Ladycats played well together making triangle and wall passes, taking runs from the defensive end, winning first touches and communicating effectively.

Ladycats golf team poised for a run to state tourney

Five years ago, Ladycat golf made their first appearance at the state tournament. Two key players and the coach from that team are gone but the Ladycat golf team keeps right on with the same focus and expectations. A run to the state tournament.

In his first year, Coach Keaton Belcher has taken a young team sprinkled with experience and led them to that familiar spot as one of the best teams in the 8th Region.

"My first season as the Ladycat golf coach has been great. Our progress this year has been

fantastic. I have enjoyed working with the girls on a daily basis and have seen dramatic improvement in some of their games."

The other two top teams are no different than the past four years. First place Scott County and second place Mason County with the Ladycats taking third. What does Coach Belcher's Ladycats have to do to change that pattern?

"Our main focus going into the regional tournament is to stick to our game plan, eliminate big numbers and don't let previous swings affect our current swings." Coach Belcher pointed out about the game plan to grab one of those top two spots and qualify as a team for region.

He continued, "We have proven that we can beat Mason County this season and there is not a doubt in my mind that if we show up to play on September

22 that we can qualify as a team."

The 2012 Ladycats have already established themselves as one of the top teams in school history as they have posted the second and third lowest score in team history.

In addition, Ariel Ramsey became only the third Ladycat to ever post a nine-hole score in the 30's by firing a 38 in a recent match.

In golf, because it is played by individuals whose scores combine to form a team score, an individual can qualify for the state tournament if their team does not.

Last year, PCHS sent three individuals to the state tournament. Ariel was one of the three and is among one of the best individuals in the region. Maggie Miles qualified as an individual her junior season for the state tournament and is poised

to reclaim that spot her senior season.

Freshmen Mackenzie Moore has medaled, shot low score in the match, several times this year and has the talent to post a low score. Eighth grader Holley Hart might have been the most consistent Ladycat golfer throughout the year and easily can put herself into that discussion. Fellow eighth grader Morgan Cobb will round out the Ladycats varsity five and has been improving throughout the season.

While the final standings from the 8th Region tournament on Monday, September 24 at Canewood Golf Course in Georgetown is unknown, one thing is certain. The 2012 Ladycat golf team has already established themselves as one of the best teams in PCHS Ladycat golf history and right in the mix for an 8th Region Title.

BLANKET CREEK

We opened our service by singing Happy Anniversary to John and Doris Carr for 63 years of marriage! Our Choir then sang "Lord make me a sanctuary."

Vickie Carr had children's Church. Bro. Joe's message "The next sabbath" was taken from Acts 13:42-47.

The word sabbath means to rest and be holy. Paul tells us about a promised Messiah. Although God is invisible to us He is always with us. His handiwork is all around us if we take time to stop, listen and look. His promise of salvation is universal.

We are supposed to share God's word in our community and with everyone we meet. How long has it been since you rested and renewed your mind and body. Even God rested on the seventh day. Take time to be holy. Our Sunday school picnic will be September 30. Bring a covered dish and come join the fun and fellowship.

Added to the prayer list is Sonya Westerbeck and Don Wagner and the families of Butch Rarick, Don Black, Loretta Maloney and Carolyn Griesse.

BUTLER BAPTIST

Last Sunday we celebrated Brother Daryl and Shelia's 15th anniversary at Butler Baptist Church. The church presented them with a gift of appreciation and look forward to many more years. Special music was provided by Brett Mullins, Daryl Mullins and Ron Taylor. Brother Daryl's message was from Colossians 1:1-2, and titled "Great beliefs of a great Christian."

A great Christian will focus on the will of God. Everyone is called to a specific task and vocation. When we focus on what He wants us to do we are able to spread His message. In life there is one essential relationship. We are to walk in this world together with Jesus. In order to do this we must be faithful believers, loyal and obedient to God. Are you following the will of God? Are you obedient and faithful?

Next week is barefoot Sunday at morning worship.

BUTLER CHRISTIAN

Bro. Denny's sermon September 9 was titled, "The lady of justice." Scripture James 2:1-5, 14-17. Liturgist: Kenneth Ross. Acolyte: Keith Ross.

Prayer concerns: All nursing home and assisted living residents, shut-ins, Betty Jaeger, Dora Johnson, Robin Mulloy, Janet Courtney, Jim Teegarden, military personnel, Kim Thornton, James Meadows, Pat Lambert, our country, Ken English, Tom Wells, Ann Riley, Ted Greenwell, Sharon Jones, Charles Douthat, Margaret Gibson, Anna Mary Marshall, Daniel Stinnett, Tyler Vessels, Vidas Race, Debby Veirs, Betty Hedges, Fern Thornberry, Eddie Orr, Julie Adams, Yandall Schneider, Renee Fardo, Terry Petering, Josh Blackaby, Lois Rose, Allison Munson, Jack Ackman, Shawn Russell, Tom Utz, Anna Hope Curwood, Rusty Davidson.

Tuesdays: LIFE Youth Group meets at 6 p.m.; Bible study at 7 p.m. with meal at 6:30 p.m.; pot luck dinner after church September 23; Majestic Sounds Quartet will perform.

Sunday school begins at 10 a.m. with morning worship at 11 a.m. Nursery available.

BUTLER METHODIST

Jesus was usually found among the poor, the outcasts. Jesus came to save us all. All people are equal, and Jesus played no favorites. Seek the face of Christ, serve Him by welcoming all peoples among us, rich or poor.

Thanks to those who came out for the Charge conference on Sunday evening.

Many thanks to those who came out to spruce up the church on Saturday, you did a fantastic job.

Disciple Bible study will begin from 6:15 p.m. to 8:45 p.m., on Monday, September 24 please bring a New Revised Standard Bible with you.

Those we specifically want to hold up in prayer this week are Brenda Hitch (mini stroke), her grandson Benjamin, Franks' friend, Don, Jeff Stoll and mother, Taylor, Renee Fardo, Donna and Gene Hise, the Stephensons and our nation.

We welcome all here at Butler United Methodist, please come.

FALMOUTH BAPTIST

Bro. Cohen was away and Bro. Ronnie Raines was with us for the morning worship service. He delivered a wonderful message about God's amazing grace.

Grace saves us, it equips us to serve Jesus Christ, it shows God's faithfulness and reveals his heart. God loves sinful, messed up people and grace explains God's blessings on each of us. Bro. Raines works with the Kentucky Baptist Convention and he shared several incredible statistics with us. One statistic I found incredible

bly sad. Pendleton County has a population of over 14,000 people and on any given Sunday, there are only about 1,500 attending church. Church, we all need to get busy!!!

Thank you Kellie Wolfe for the beautiful piano offertory music you shared with us.

Last Sunday we rejoiced as Jason Muench claimed Jesus Christ as his Lord and Savior.

Please keep Jason in your prayers as he begins his walk with Christ.

FALMOUTH CHRISTIAN

This past weekend was just beautiful. What a welcome it was to have cooler weather and sunshine. We had a nice crowd at church which, I feel, can be attributed a lot to that.

Brother Rick's message was taken from the book of Daniel 6:1-28 and focused on "Overcoming the ways of the world." Three reasons given were: (a) The church wants my money, (b) The people at that church are hypocrites, and (c) People believe you don't have to go to church to worship God.

Church brings Christians together where they can unite as a family and worship. That feeling of family is so important. Having people believe the way you do and knowing they are there for you in a time of need is so important. Your church family is so vital and such a blessing. Records show that in the states of Kentucky, Ohio and Indiana only 46% of people attend church on a regular basis. How sad.

The church is hosting a hymn sing, for Tony "Tater" Carroll, at 6 p.m. on September 15. Tony is preparing for a mission trip to India. There will be singers and groups from various churches all over the area delivering the message in song. Please join us for an enjoyable evening with refreshments being served after the service.

We will be hosting another humn sing on October 13 for Amanda Bruin who is doing mission work in Honduras. Watch for details at a later date.

Preparations are being made for the Wool Festival again for our "Sundae Shoppe" on October 5 through October 7. Busy! Busy! Remember all those with special needs this week. Pray for them daily. Prayer can move mountains. Have a blessed week.

FALMOUTH METHODIST

When Ted was a boy he loved to climb the big oak tree in his backyard. One time, when he was seven years old, he climbed so high that the branch he perched on gave way underneath him.

He began scrambling wildly as he fell, grabbing another branch, he held on for dear life. He screamed for his father to help him. A few moments later he heard his father's voice calling to him from below. "Let go son, and I'll catch you." Ted's father was holding out his arms, and the boy had to force himself to let go; to fall in order to be safe.

Sometimes we cling to the very things that hurt us and make us most afraid. It's frightening, and difficult to know when to let go. But only when we release our lives, and our fears, to God, we can experience deliverance and salvation.

HARVEST COMMUNITY

Sunday morning's message was based on scripture text of Mark 10:13-16 and titled, "Start acting like a two year old!" Jesus said that people should believe in Him with childlike faith. This doesn't mean that we should be childish or immature, but we

should trust God with a child's simplicity and receptivity.

Announcements: Each Sunday evening at 6 p.m., weather permitting, services will be held at the Creekside Pavillion. Our Relay team had a successful day at the Dragon Boat Festival. Join us for family fun night at the Pavilion at 6 p.m., Saturday, September 22. Hot dogs are on the menu, bring your favorite finger foods. There will be a camp out for the youth that evening. Wool Fest is only three weeks away. We will be selling rib eyes and burgers again.

Come join us for worship services and activities, we would love to have you!

MT. CARMEL

Our fall revival with Bro. Mike Jones begins at 6:30 p.m., Sunday, September 16.

Corinth Baptist Church is hosting a Gospel Sing featuring the Southern-Aires on Saturday, September 22. The event will be noon to 5 p.m. at the Corinth City Park. There will also be some local talent singing as well. There is no charge and free food will be provided.

During the month of September, we are having a food drive for food pantries in Grant, Pendleton and Harrison Counties. If you would like to participate, each week bring non-perishable food items to church and put them on the table in the old sanctuary.

Items below:

- * September 16- Protein Week (Green Beans/ Bake Beans/ Pinto Beans/ Tuna Fish/ Canned Chicken/ Peanut Butter)
- * September 23- Box Week (Boxed Cereal/ Cornmeal/ Dry Milk/ Crackers/ Spaghetti/ Mac'n'Cheese)
- * September 30- Personal Hygiene Week (Soap, Toothpaste, Shampoo and Conditioner, etc.)

MT. GILEAD

Today there are so many fancy things that I'm usually confused. In the past the old telephones were so simple. If you wanted to call grandmother's house you'd turn the crank four times (complete times) and if she wanted to make a call she would crank two longs and two shorts. If a tree fell on the wire, dad would take his pliers and some wire and fix it. The most interesting value, was the morning conversations.

Around 10 a.m., most on the line would take a break and participate in the community phone gathering. Things change. You can still have a telephone gathering but it would take a good lawyer to figure out how. Yes, downed wires can be fixed, but there is usually a couple of days delay.

Things change some for the better, and some so difficult it takes some time to figure out how to use it.

Thankfully, Jesus hasn't changed. He is still available to answer you're calls and give assistance. If you're in trouble call Him, four longs; pray and listen to feel His answer. Sounds great, why haven't more people signed up for this service. It is free, the line is never busy, or out of order. His answer will serve you a life time, if you follow His way.

On October 21, we will have the final 2012 service at the "old white church on the hill." Oh, I don't want to forget to mention that it will be soup day.

MT. MORIAH

God bless you and thank you for taking your time to read the Mt. Moriah church article this week. Pendleton County has many churches to choose from. Don't think you have any place to go worship. Just pick one and worship God!

"God is spirit, and those who worship Him must worship in spirit and truth."

~ John 4:24

Remember, "Faith isn't faith until it's all you're holding on to." Author unknown

Get in church and serve God this week! It's good for you!

NEW HOPE

What role does God play in public? Is it proper to mention His name in public? Is it only proper to talk about God in church or at home? It seems that this is a debate our country is having. This world belongs to God because He created it. Everything that we have is His. In His Word, God does not limit where we can discuss Him. It is proper to discuss and acknowledge God in all situations. This includes home, work, church, weddings, funerals or even political events. God's influence is not limited in this world and therefore we should not limit where it is proper to mention Him. If we want God to bless every aspect of our lives, then we need to acknowledge God in every aspect of our lives.

NEW ZION

Come join us for worship. Sunday school starts at 10 a.m., morning worship is at 11 a.m. and evening worship starts at 6:30 p.m.

Upcoming opportunities: We will have our annual Hot Dog Roast at 7 p.m., September 22. There will be a WMU and deacons meeting at 6 p.m., October 7. Harvest Party and Hayride for the kids at 1 p.m., October 21.

If you attended the fall Revival you already know what a blessing it was. Praise God for His word and all of those that delivered it, both in song and preaching! Neglect not the gift that is in thee, which was given thee by prophecy, with the laying on of the hands of the presbytery. I Timothy 4:14

Please remember in prayer Bill Vanlandingham, Don Sizemoore, Brenda Sizemoore, Donna Hobbs, Sheila Eckerly, Earl West, Dustin and Leslie Warner, Mr. Blevins, Lonnie Hull, Charlie Tarvin, Sue Thomas, Beulah West, Gary Norris, the Rowland and Mays families and all of our men and women in uniform. Also remember to pray daily for our schools, our country, its leaders and for all of the lost.

OAKLAND CHRISTIAN

Oakland remembered "9/11"

with a special service Sunday morning.

Ladies retreat is September 22 at Camp Northward.

Our Youth Fishing Tourney has been changed to Saturday, September 22.

Our 10th annual "Happy Trails" is at 1 p.m., September 23, at the farm of Jim and Sherry Fields. Bring some "grub" and a lawn chair, and come join us. At 5:30 p.m. we will have an outside lawn concert by "Majestic Sounds" quartet.

Wool Fest is approaching, October 5-7. Oakland will once again have a food booth. Those who visited our booth have helped to purchase our church van. We thank you for your business.

Remember with sympathy the loved ones of Nancy Johnson and Thelma Miller. Other prayer concerns include Juanita King, Beverly Bass, Hazel Jacob, Mindy Redden, Judy Norris, Michelle Caldwell, Charles Lee Ramsey, Geneva Morris, Greg McElfresh, Margaret McCann, Ronnie King, college students, shut-ins, our leaders, and armed forces.

SOUTHSIDE

We opened the morning service with the hymn, "Jesus Loves Me" on September 9. Brother Clay Sullivan preached the sermon, "Wisdom in Christ" from Ephesians 5:8-20. Here are the three areas we should have wisdom in Christ: (1) We expose the darkness, (2) We use time wisely, and (3) We respond to the Spirit. The memory verse for the week comes from Galatians 6:9, "Let us not become weary in doing good, for the proper time, we will reap a harvest if we do not give up." Amen!

Be in prayer for all in one way or another.

Come and worship with us this Sunday at 9 a.m. for Sunday school and 10 a.m. for worship service. Have a great day!

TRINITY

Phil Cross came to unite our association at the tenth annual revival Sunday night at Mr. Carmel after the amazing, uplifting concert he gave us Sunday morning at Trinity. Thanks for all the visitors that came to the concert. What a way to start off our week.

We are looking forward to all the upcoming events. Our grow-

ing youth group is preparing to take over our morning services October 28. Awanas will begin at 6:15 p.m. this coming Sunday, September 16.

The youth will continue to meet at 6:30 p.m. each Sunday night. We are preparing to have an annual yard sale September 21-22 with all proceeds to go to our Kingdom Fund. We are very pleased with our men's softball team that brought home two first place trophies this year. What a great time of fellowship and fun this past Friday and Saturday night at the tournament.

TURNER RIDGE

It was a crisp beautiful morning at Turner Ridge. The softball team had a good season and Jeff Baumgartner presented Gale Gregg with the Christian Spirit Award for the Turner Ridge team. The children's message "Everyone is important" was led by Uncle Dale, he used a comparison of crayons and children. Each crayon/color is beautiful and has its purpose, as in Joseph's coat of many colors. Each child is unique and has a special job to do for Jesus.

Bailey Boden read scripture from Colossians 1:26-27 and Jim Tomlinson shared special music "Midnight cry."

Bro. Dale's message "Bold hope for Kentucky" was an emphasis for State Missions and to encourage giving to the Eliza Broadus offering, money that will help spread the word of Jesus in Kentucky. Bold hope is nothing new. Abraham and Sara, on their own had no confidence, but with faith in Christ had hope. We must share through bold speech, tell people about salvation through Christ and the hope that waits in heaven.

SHELLEY MEYER, 4-H/YOUTH DEVELOPMENT

Pendleton County 4-H Teen Club: Operation Christmas

My name is Kelsey Knight and I am a Pendleton County 4-H Teen Club member. I am writing this letter to tell you about an upcoming service project opportunity. The Pendleton County 4-H Teen Club is doing a service project for Operation Christmas Child. The Operation Christmas Child is an organization that sends shoes boxes filled with toys, tooth brushes and tooth paste, bars of soap, hard candy and more, to give to children as Christmas presents. These boxes are sent to children in third world countries, who typically have nothing; some may have to share a tooth brush with 20+ other people, some may live in a small area with multiple people, some do not have anything to drink out of on a regular basis, and they probably have nothing to call their own. These children generally do not know what Christmas is. With your help, we can potentially give these children their first interaction with a Christmas present.

The Pendleton County Teen Club will be collecting:

- Empty shoe boxes
- Boys and girls toys for children ages 2-14 (include batteries)
- Bars of soap (no liquid items)
- Tooth brush and tooth paste
- Hard candy (No chocolate or

dated food)

- Socks
- Underwear
- Shoes
- Hair brush
- Empty water bottles
- Any other item that could be given as a present

Each box costs \$7 to send across seas, so we are also asking for monetary donations; I know we are asking for a lot, but we are asking for whatever you are willing to give. After the collections are taken up, The Pendleton County Teen Club will also be having a Packing Party to pack boxes on October 10th at 10 am at the Pendleton County Extension Office. If you would also like to donate your time, we would appreciate that.

Please consider helping us with the great cause. We would love to see a lot of items donated and have a lot of people come out to pack. We thank you in advance for any donations you are willing to give. If you have any questions you can contact me at kkelseyknight@aol.com or 8594457254. You could also contact the 4-H Agent, Shelley Meyer at shelley.meyer@uky.edu or 8596543395.

Thank you for your time and your willingness. I hope to speak to you soon.

Sincerely,

Pendleton County Teen Club

KENNA KNIGHT, FAMILY AND CONSUMER SCIENCES

Safe handling of melons

The recent salmonella outbreak traced to cantaloupes grown in Indiana has many Kentuckians concerned about consuming melons, but it doesn't necessarily mean that you have to abstain from eating this fresh summer delicacy. When properly handled, melons can be a safe, satisfying treat.

Here are some tips on how to safely handle melons:

Buy melons from a local, reputable source. The shorter the distance food has to travel from farm to table, the less of a chance that microorganisms have grown on the produce. Microorganisms need time to multiply. Wash your hands before and after handling fresh produce.

Before consuming, rinse melons with clean, running water and use a clean vegetable brush to scrub away debris on the skin, even if they have been prewashed. Washing the skin of fresh produce is important even if you are going

to only eat the inside of the fruit as bacteria on the skin can be transferred to the flesh of the fruit when it is sliced.

Do not use dishwashing or hand soap to wash produce. These items have not been tested for use on food.

Cut melons using clean, sanitized knives and cutting boards.

Once sliced, melons must be stored below 40 degrees Fahrenheit and consumed within a few days.

Avoid consuming any melons if the store, restaurant or market does not know where they were grown. You may also want to avoid purchasing pre-sliced melons as you do not know whether proper safety precautions were taken in their processing.

For more information on food safety, contact the Pendleton County Cooperative Extension Service.

LINDIE HUFFMAN, COUNTY EXTENSION AGENT FOR AGRICULTURE AND NATURAL RESOURCES

The Master Stocker Program is a Kentucky Beef Network Program, funded by the Kentucky Agriculture Development Board, that is developed and delivered by the University of Kentucky College of Agriculture. It consists of 8 - 2 1/2 hour sessions focusing on background and stocker operations in Kentucky. These sessions are designed to enhance the profitability and equip producers with vital information provided by University of Kentucky specialists and agents. The program provides participants with a ready reference on the 8 educational sessions. The time spent in the sessions also allows beef producers the opportunity to network with specialists, agents, industry leaders, associates, facilitators and one another.

Property Address: 521 Slick Ridge Road, Williamstown, KY 41097

Parcel Number: 007-00-00-005.02

Situated in the County of Pendleton and Commonwealth of Kentucky, the following real property:

A certain lot or tract of land lying in the County of Pendleton, State of Kentucky, about 3/4 mile off KY Highway No. 22 on a gravel road about 13 miles SW of Falmouth, Kentucky, and being a portion of the land conveyed to Carl Lancaster, as recorded in Deed Book 125, Page 11, Pendleton County Court Clerk's Office, Falmouth, Kentucky, and being further described as follows:

BEGINNING at a set RR spike in the center of said gravel road, a corner with Carl Lancaster; thence with his line and center of gravel road four calls, S 54°39' W - 102.55 feet to a set RR spike; thence S 34°55'27" W - 37.78 feet to a set RR spike; thence S 00°00'45" W - 36.10 feet to a set RR spike; thence S 20° 41' 51" E - 129.15 feet to a set RR spike; corner with Carl Lancaster; thence with his line four more calls, S 88° 52' 30" E - 161.63 feet down hill to a set iron pin; thence N 26° 20' 06" E - 125.63 feet around hill and across small draw to a set iron pin; thence N 41° 37' 06" W - 100.20 feet up hill to a set iron pin in upper edge of a woodland; thence N 55° 19' 24" W - 110.81 feet up hill to the beginning point containing one and 542/10000 (1.0542) acres.

This description prepared from a physical survey conducted by Berlyn Brown KY RLS 763 on July 12, 1985.

Being the same property conveyed to Nichole Vargas and Tony Vargas by Deed, dated December 31, 2003, recorded on March 29, 2004 in Deed Book 261, Page 451, County Clerk's Office, Pendleton County, Kentucky.

Subject to and together with all easements, restrictions and legal highways, if any, of record.

This property is being sold to produce the sum of \$82,107.15, together with interest at the rate of 9.4% (\$16.98 per diem) from May 18, 2012 until paid; plus advances for taxes and insurance premiums, and Plaintiff's costs herein expended, including a reasonable attorney fee and for any other fees expended for services performed in connection with the defendant's default and for the purposes of protecting Plaintiff's interest in the property and its rights under the mortgage instrument.

The property shall be sold upon the following terms and conditions:

- 1) The purchaser shall be required to pay ten percent (10%) of the purchase price on the date of the sale, to apply on the purchase price;
- 2) The balance of the purchase price shall be due and payable, in cash or certified funds, within sixty (60) days from the date of sale;
- 3) The purchaser shall be required to execute a bond, with good and sufficient surety thereon for the unpaid balance of the purchase price, said bond to bear interest at the rate of twelve percent (12%) per annum from the date of sale, until paid;
- 4) The purchaser shall have the privilege of paying all or any part of the purchase price or paying said bond before maturity by paying the balance of the principal, together with all accrued interest thereon;
- 5) The purchaser shall be required to assume and pay any and all ad valorem taxes on the subject property for the current year, and all subsequent taxes;
- 6) The purchaser shall be required to purchase fire and extended coverage insurance on said improvements from the date of sale until the purchase price is paid in full to the extent of the court appraised value of said improvements or the unpaid balance of the purchase price, whichever is less, with a loss clause payable to the Master Commissioner of the Pendleton Circuit Court or the Plaintiff herein.
- 7) The subject property shall be sold free and clear of all liens and claims of any party to this action, except restrictions and easements thereon appearing of record in the Pendleton County Clerk's Office, if any;
- 8) Possession of the subject property shall be given to the purchaser upon confirmation of Commissioner's sale, and the Defendants or any persons claiming through them shall have vacated the premises by that time; and
- 9) Said property shall be sold subject to:
 - a) Assessments for public improvements levied against the subject property,
 - b) Existing zoning ordinances, statutes, laws or regulations;
 - c) Any facts which an accurate survey or inspection of the property may disclose.

Bidders will be prepared to comply with these terms.

NOTICE OF PUBLIC HEARING

Pursuant to KRS 132.027, the City of Butler will hold its public hearing on the 25th day of Sept 2012 at 6:30 p.m. The meeting will be held at 102 Front Street (the Butler City Bldg.) for the purpose of hearing comments from the public regarding the institution of proposed tax rates for the 2012-2013 Fiscal Year.

As required by law,

	Tax Rate (Per \$100.00 of Assessed Value)	Revenue
Preceding Year's Rate & Revenue Generated	<u>.429 (real property)</u> 1.140 (personal property)	<u>\$67,596</u> \$17,495
Tax Rate Proposed & Revenue Expected	<u>.491</u>	<u>\$74,571.33</u>
Compensating Rate & Revenue Expected	<u>.473 (real property)</u>	<u>\$73,764</u>
Expected Revenue Generated from New Property	<u>No new property</u>	<u>none</u>
Expected Revenue Generated from Personal Property	<u>.82c</u>	<u>\$19,850.34</u>

The City of Butler proposes to exceed the compensating tax rate by levying a real property tax rate of .491 (per \$100.00 of assessed value) and a personal property tax rate of .82c (per \$100.00 of assessed value). The excess revenue generated will be utilized for the following purposes:

to be placed in General Fund.

THE KENTUCKY GENERAL ASSEMBLY HAS REQUIRED PUBLICATION OF THIS ADVERTISEMENT AND THE INFORMATION CONTAINED HEREIN.

WHEN YOU HAVE A CHRONIC ILLNESS, THERE'S NO SUCH THING AS A DUMB QUESTION.

Coping with a chronic illness can be, at times, overwhelming. So it's easy to overlook one of the simplest—and smartest—things you can do to help yourself. Ask questions.

Ask your doctors, your nurses, and therapists. Ask about your symptoms, your diet, and your treatments. Ask why you're taking your medicines and how they work.

Asking questions helps you gain information and become more involved with your own health care treatment. Questions help your providers understand your concerns, and help them do their best to help you. So write down your questions in advance. Then write down their answers.

The important thing is to ask until you understand. Remember, everyone on your health care team works for you. It's their job to answer your questions. And your right to ask.

It's your health.
You call the shots.
